About

360 Degree Insurance Solutions helps individuals, families, and public-sector employees across Los Angeles County understand their insurance options and make confident, informed decisions. As an independent advisor, I compare options from multiple carriers and explain them in plain language, with no pressure, and I stay available year-round after enrollment.

What I Offer Partners

- **Medicare 101 workshops:** plain-language education sessions for patients, members, staff, and community groups.
- **On-site education days:** scheduled tabling in permitted common areas, coordinated with your team.
- **One-on-one consultations:** by appointment, in person or by phone, with Scope of Appointment documented as required.
- **Dual-eligible (Medi-Medi) guidance:** help understanding Medicare and Medi-Cal together, and applying for Extra Help.
- **Year-round member support:** replacement cards, provider and network questions, and plan changes.
- **Worksite benefits education:** voluntary benefits for public-sector employees, including disability, accident, critical illness, and hospital indemnity.
- **Life insurance education:** term, permanent, and final expense options for families.

My Commitment to Partners

- Education first. I follow CMS marketing guidelines and never ask partners to recommend a plan.
- Respect for your space, staff, and patient flow.
- Clear, honest information, at no cost to the people you serve.
